The screenshot displays the 'Document Validator' interface. At the top, it includes the 'eSignaBox' logo and a 'Go to page of eSignaBox' link. A language selector shows 'Español' with a world map icon. Below the header, there are navigation buttons: 'Back', 'Download', and 'Signature details'. The main content area is titled 'Signers' and lists two individuals: DANIEL EDUARDO CAUCALI MEDINA and ANGELICA MARIA BAHAMON MARTINEZ. To the right of the names, detailed signature information is provided, including identification number, organization (CODENSA S A ESP), department, charge, issuer, date and time, and signature format. A 'Signature with Timestamp: Verify' link is present, along with a 'Certificate used: Download' link and the document ID. A section titled 'The signature is valid:' contains four green status indicators: 'The document has not been modified', 'The certificate of the signature is valid.', 'The revocation information stored in the signed file AdES was consulted. The certificate was valid when signed.', and 'Certificate emitted by a trusted CA.' At the bottom left, there is a checkbox labeled 'Show signature images on the document' which is currently checked.
